January 2017

AS6 – Are there points of water supply opened to the public in your territory of competence? □

1= Yes 2= No (If no, go to AS12)

Kindly give the following information on this(these) water point(s)

AS7	AS8	AS9	AS10	AS11
Type of water point opened to the public	Is there (Name of type of water point for public use) in your territory competence? 1= Yes 2= No → Next line	How many (Name of type of water point for public use) are there in your territory competence?	What is, in your own opinion, the state of satisfaction of populations with respect (Name of type of water point for public use) 1= Very satisfied → Next line 2= Satisfied → Next line 3= Less satisfied 4= Not satisfied at all	If less or not at all satisfied, why? 1= Not functional 2= Poor quality of water 3= Frequent water cuts 4= Limited/low coverage 5= Low rate of flow 6= Other (specify))
Public wells	□	□□□□	□	□
Public borehole	□	□□□□	□	□
Improved spring	□	□□□□	□	□
Other water sources (specify)	□	□□□□	□	□

AS12: Are there public toilets/public places where one can ease himself/herself in your territory of competence? □

1= Yes 2= No (If no, go to IPI)

Kindly give the following information on this(these) public toilets/public places

AS13	AS14	AS15	AS16	AS17	AS18	AS19	AS20
Type of public toilets/public places to ease oneself	Is there (Name of the type of toilets/places to ease oneself for public use) in your territory of competence? 1= Yes 2= No → Next line	How many (Name of the type of toilets/places to ease oneself for public use) are there in your territory competence?	Is there a place reserved for women in these toilets? 1= Yes in all 2= In the majority 3= In the minority 4= No	Are there installations meant for hand washing? 1= Yes in all 2= In the majority 3= In the minority 4= No	How do you appreciate the state of cleanliness of these toilets? 1. Extremely stinking and disgusting 2. stinking and disgusting 3. Clean 4. Very clean	What is, in your own opinion, the state of satisfaction of populations with respect to (Name of the type of toilets/places to ease oneself for public use)? 1= Very satisfied 2= Satisfied 3= less satisfied 4= Not satisfied at all	If less or not at all satisfied, why? 1= Not functional 2= Poor quality of water 3= Frequent water cuts 4= Limited/low coverage 5= Low rate of flow 6= Other (specify))
Improved latrines for public use	□	□□□	□	□	□	□	□
Public toilets with flush	□	□□□	□	□	□	□	□
Other type (specify)	□	□□□	□	□	□	□	□

SECTION 3: SITUATION OF WATER SUPPLY AND SANITATION IN THE PUBLIC INFRASTRUCTURES

IP1	IP2	IP3		IP4	IP5		IP6	IP7		IP8
Type of infrastructure	How many (name of the infrastructure) are there in your territory of competence ?	How many among these (name of the infrastructure) have improved toilets or modern WC?		What is your appreciation with respect to these toilets/places to ease yourself /modern WC in general?	How many among these (name of the infrastructure) have water point in their buildings or their space?		What is your appreciation with respect to the state of these water points in the (name of the infrastructure) in general?	How many among these (name of the infrastructure) have refuse vat in their building or within their space?		What is your appreciation with respect to the state of these refuse vats (name of the infrastructure) in general?
	98= Don't know	1=Gives the number 2= All 3= The majority→IP4 4= About half→IP4 5= Few/very few→IP4 6= None → IP5 8= Don't know→IP4		1= Very satisfied 2= Satisfied 3= Less satisfied 4= Not at all satisfied 5= Don't know	1=Gives the number 2= All 3= The majority→IP6 4= About half→IP6 5= Few/very few→IP6 6= None → IP7 8= Don't know→IP6		1= Very satisfied 2= Satisfied 3= Less satisfied 4= Not at all satisfied 5= Don't know	1=Gives the number 2= All 3= The majority→IP8 4= About half→IP8 5= Few/very few→IP8 6= None → Next line 8= Don't know→IP8		1= Very satisfied 2= Satisfied 3= Less satisfied 4= Not at all satisfied 5= Don't know

SECTION 4: KNOWLEDGE, APPRECIATION AND EXPECTATIONS WITH RESPECT TO PROJECTS RELATIVE TO WATER SUPPLY AND SANITATION IN YOUR ADMINISTRATIVE UNIT/COUNCIL/VILLAGE/QUARTER

CO1: Do you know project(s) intervening in the domain of water supply and sanitation in in your administrative unit/council/village/quarter?

1= Yes 2= No (If no, go to CO7)

Kindly give the following information on this (these) project(s) or intervener(s)

CO2	CO3	CO4	CO5	CO6
Name the Project or intervener	Type of realizations A= Water supply B= Digging/drilling/construction of water pints C= Arrangement of water points D= Construction of public toilets E= Construction of private toilets F= Arrangement of public toilets G= Arrangement of private toilets H= Installation of refuse vats I= Other (specify)	Scope of intervention ... 1= The urban area 2= The rural area 3= Both the urban and the rural areas	What is, in your opinion, the state of satisfaction of populations with respect to this project/intervener? 1= Very satisfied → CO7 2= Satisfied → CO7 3= Less satisfied 4= Not satisfied at all	If less or not at all satisfied, why? 1= Insufficiency facilities 2= Poor quality of facilities 3= Facility not adapted to the needs 4= Other (specify)
	A B C D E F G H I _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	A B C D E F G H I _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	A B C D E F G H I _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	A B C D E F G H I _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

CO7 : How do you appreciate the mobilization of populations of your area of competence to make their personal contributions to community projects?

1= Very big 2= Big 3= Average 4= Low 5= Very low 6= None

A. Mobilization of populations living on the spot	<input type="checkbox"/>
B. Mobilization of external elites	<input type="checkbox"/>
C. Mobilization of women living on the spot	<input type="checkbox"/>
D. Mobilisation of external women	<input type="checkbox"/>
E. Mobilisation of youths living on the spot	<input type="checkbox"/>
F. Mobilisation of external youth elites	<input type="checkbox"/>
G. Mobilization of parliamentarians (member of parliament, senators)	<input type="checkbox"/>

CO8: Have difficulties occurred or are occurring in the area of competence as far as the mobilization of the personal contribution is concerned? 1-Yes 2= No

CO9: In what way will the implementation in your region, of a water supply and sanitation project in rural area improve the living conditions of rural populations living in your area of competence? (Circle the answers)

A= Easy access to potable water B= Reduction of some water borne diseases C= Increase of employments
D= Children school attendance E= Young girls school attendance F= Other (specify)

CO10: Are there non-satisfied needs regarding water and sanitation in your locality that you will wish that the State and/or partners in development take into account during the next coming years? (if yes, list the first 3 needs with precision and by order of decreasing priority)

- 1) _____
- 2) _____
- 3) _____

AP12 : How do you appreciate the mobilization of populations of your area of competence to make their personal contributions to PAEPA projects?	
	1= Very big 2= Big 3= Average 4= Low 5= Very low 6= None
A. Mobilization of populations living on the spot	_
B. Mobilization of external elites	_
C. Mobilization of women living on the spot	_
D. Mobilisation of youths living on the spot	_
E. Mobilisation of external women elites	_
F. Mobilisation of external youth elites	_
G. Mobilization of parliamentarians (member of parliament, senators)	_

AP13 : In which way has the PAEPA project improved living conditions of the populations living in your area of competence? (Circle the answers)

A= Easy access to potable water B= Reduction of some water borne diseases C= Increase of employments
D= Children school attendance E= Young girls school attendance F= Other (specify)

AP14 : In the frame work of the PAEPA project, did difficulties emerge in your area of competence regarding the management of the infrastructures constructed?

1=Yes 2= No |_|

If yes, which ones: _____

P15 : Are you aware of the closing of activities of the PAEPA project on the field in 2016?

1 = Yes 2 = No |_|

P16 : Do you wish that another project like PAEPA, be implemented again in future in your village/quarter?

Yes 2 = No |_|

1 =

P17 : Why ?

1 = Not useful 2 = Lack/insufficient of water point/toilets in the village/quarter |_|
6 = Other (specify) _____

P18 : Which aspects of such a project would you like to see being improved?

1 = Active participation of the entire population |_|
2 = Intensification of IEC actions
3= Construction of a greater number of water and sanitation facilities
6= Other (specify) _____

Thank you for your collaboration!
